(The Persecuted Church)

Words and Music by
GARY LANIER

There is a voice cry-ing in our spir-it. It says to not for-get us.

4 It is the per-se-cu-ted church of God. It is a call for our in-ter-ces-sion,

8 a call with deep com-pass-ion; And if you lis-ten you can hear it right now.

12 "Don't for-get us. Don't for-get us. We bring love and hope and

15 truth to those who need Je-sus. Don't for-get us. Though in pris-son,

19 we have ris-en. Chained, but free to share His love to those who need Je-sus. Don't for-

23 get us. We're the per-se-cu-ted child-ren of God. And we're ask-ing you to pray that they

27 see His love. So, Asking you to pray that they see His love. So, don't for-get us."
